

# The Business of Grazing

Designed from the internationally recognised Grazing for Profit School

## Looking for knowledge to take you and your business to the next level?

Running a rural business operation is often the realisation of a lifelong dream. It isn't without its challenges though...

### DO YOU WANT TO:

- ✓ Define, control and manage where your business is going?
- ✓ Strengthen family relationships?
- ✓ Reduce overhead costs?
- ✓ Improve livestock health and performance?
- ✓ Identify dead wood in your business and learn how to manage productive pastures and healthy soils?

The RCS Business of Grazing is the **only** 3 day course available that discusses literally everything that affects your business.

### WHAT'S COVERED:

- ✓ Business management
- ✓ Economic analysis
- ✓ Grazing management
- ✓ People management
- ✓ Ecological function
- ✓ Ruminant nutrition
- ✓ Drought management
- ✓ Feed budgeting
- ✓ Reproduction
- ✓ Planning and development
- ✓ Decision making
- ✓ And more...

### WHAT YOU GET:

- ✓ 3 days access to expert facilitator with hands on experience in the skills you'll learn.
- ✓ Networking with like-minded peers and the opportunity to learn from their experiences – both successes and failures!
- ✓ Tools and templates to take home and use straight away in your business.
- ✓ Comprehensive workshop manual for future reference.
- ✓ Eligibility to apply to join an **ExecutiveLink™** board.

### What have others said?

*This course holds extremely valuable information for anyone wanting to expand their knowledge. Linking business analysis, grazing management and animal nutrition is a fantastic recipe to achieve profitability.*

Mick Kingham, QLD.

*The best thing to come out of this course for me, was receiving the tools to economically analyse our business to make the best decisions for our future.*

Jacynta Coffey, N.T.

*If you want to understand the fundamentals to running a grazing business this course is a great introduction. Easy to understand the principles and a great learning atmosphere.*

Heidi Wright, S.A.

*A great revision of GFP content and a good opportunity to network with like-minded people.*
